Subject: - Discrepancy in U-Dise code of schools approved for implementation of ICT in
Schools Scheme in State Govt. of Tripura –cancellation of schools reg.
Sir,

I am directed to refer to the Minutes of the meeting of Project Approval Board held under the Chairmanship of Secretary (SE&L), Ministry of Human Resource Development (copy enclosed). The UDISE discrepancy was found in 103 schools out of total 682 schools approved for implementation of ICT in School Scheme.

2. The State Govt. proposed whether the schools which are indicated as duplicate can be changed with another set of schools but the same was not agreed to. It was then decided to cancel 103 schools found to be duplicated out of 282 schools approved in 2010-11. Further releases to 179 schools (282-103) will be after adjusting the amount released towards first installment and after State Govt. provides Utilisation Certificates and Progress Reports for earlier releases. The list of the 103 schools is enclosed.

Yours faithfully,

(Sushil Bhushan)

Under Secretary to the Govt. of India
